

**EYFS Topic:** Space

**Year:** Rec **Term:** Spring 2

## Key Knowledge/Content:

- To explore fiction and non-fiction texts whilst learning new vocabulary.
- To explore our role play skills in different settings
- Compare our planet to others in our solar system.
- To find out some historical facts about space.
- We will use our imaginations to explore life different to our own.
- Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary.

## Links to:

### Prior learning:

- Role play
- Story books
- Day and night

### Future learning:

- Earth and Space

## Key vocabulary:

### Prior Vocabulary-

- Day
- Night
- Moon
- Sun
- Stars

### New Vocabulary-

- Planets
- Astronaut
- Spaceship
- Gravity
- Space
- Float
- Oxygen
- Explore
- Adventure

### Books suggestions:

Aliens Love Underpants, I wish I were an astronaut, Whatever next?, Space Walk, On the Moon, The Smeds and the Smoos

## English

**All children can:** Write short phrase using their phonic knowledge.

**Most children can:** Write short sentences using their phonic knowledge

**Some children can:** Write 'tricky words' in sentences with growing independence.

## Maths

**All children can:** Comment on the composition of numbers to 10.

**Most children can:** Automatically recall number bonds to 5

**Some children can:** Subitise to 5.

## Background understanding for teachers and parents:

During our Space topic we will learn all about adventures outside of our planet. We will explore different planets and learn lots of new language we may not typically use in our everyday life. By the end of the topic we will be able to begin to talk about some historical facts relating to space.

## Curriculum Driver (one):

Knowledge of the World

### Evidence outcome:

Learn about life outside our planet and begin to know some key facts about space.
