

Art and Design Topic: Dereki Gores

Year: 4 Term: Spring 1

Key Knowledge/Content:

- To know a famous artist is well known and creates pieces of art.
- Collage is a technique of creating artwork by attaching different materials, such as paper and fabric, to a canvas or paper.

Links to:

Prior learning:

The children were taught about an artist called Charles Gogin. The children identified complimentary colours and experimented with colour mixing.

Future learning:

The children are going to learning about Alberto Giacometti.

Key vocabulary with definition:

Prior vocabulary:

- 3D - Art with all the dimensions of height, width, and depth.
- Emotion – Expressing feelings.
- Tone – The lightness or darkness within a picture.
- Blend - The technique of gently intermingling two or more colours or values to create a gradual transition or to soften lines.

New vocabulary:

- Mood- The atmosphere in a painting, or the feeling expressed.
- Fragments- A small part broken off or separated from something.
- Arrange- Put (things) in a neat, attractive, or required order.
- Composition- The way in which something has been put together.

By the end of this unit

All children can: **explain** what a collage is and **explain** the technique used.

Most children can: **explain** their choice of style and **explain** how and why they have selected their media.

Some children can: **explain** if their collage is abstract and **express** a mood to **explain** their important message.

Background understanding for teachers and parents:

The children are going to be learning about a famous artist called Derek Gores. Gores was a famous collage artist. The children will be using a range of materials to create their own using inspiration from Gores' work.

Curriculum Driver (one):

Communication

Evidence outcome:

The children will be discussing another artists' work and comparing their final piece with others.
