## By the end of this unit

**All children can:** Recall key locations in a town and read key information.

**Most children can:** Recall directional language and ask questions about locations.

**Some children can:** Engage in a short conversation relating to locations around a town.

## Background understanding for teachers and parents:

This unit focuses on learning about places in a town. Children will develop their use of directions and prepositions, explaining where locations are in relation to each other.

## Curriculum Driver (one):

Knowledge of the World

## Evidence outcome:

To talk about places around a town and give key directions in conversation.
